## Hot Wheels Deck Card

September 29 2018 was the issue date of the "50th Anniversary of Hot Wheels" stamps in "No Limits, Texas" (home of the Texas Motor Speedway and the semi-annual Good Guys Hot Rod Nationals).

The USPS booth had the stamps for sale, but were NOT giving away the deck cards. Luckily the exhibitor managed to get a deck card from a local post office the day prior and thus has the only known copy of a deck card with a first day cancel, which is also signed by Ricardo Briceno, Marketing Manager of Mattel (manufacturers of Hot Wheels).

A pin featuring Hot Wheels stamps was also available.
