

NATURAL EDUCATIONIST: "FREEDOM OF LEARNING"

ROUSSEAU SAID THAT HUMAN NATURE IS ESSENTIALLY GOOD AND SHOULD BE ALLOWED TO DEVELOP FREELY.

NATURALISM IN EDUCATION STANDS FOR THE DOCTRINE OF "FOLLOW NATURE" IN EDUCATION. IT WANTS ALL EDUCATION TO BE IN STRICT CONFORMITY WITH THE NATURE OF THE CHILD. IT STANDS FOR COMPLETE FREEDOM TO BE GIVEN TO THE CHILD IN LEARNING. HIS WHOLE EDUCATION WILL BE ACCORDING TO THE NATURAL LAWS OF HUMAN DEVELOPMENT. NATURALISM IS PHILOSOPHICAL DOCTRINE.

NATURALISM WAS FIRST PROPOSED AND FORMULATED BY EMILE ZOLA, THE FRENCH WRITER AND THEORIST, WHO IS UNIVERSALLY LABELED AS THE FOUNDER OF LITERARY NATURALISM.
