

PHILOMATH: LOVE OF LEARNING MATHEMATICS

A PHILOMATH (IS A LOVER OF LEARNING AND STUDYING. THE TERM IS FROM GREEK *PHILOS* "BELOVED", "LOVING", AS IN *PHILOSOPHY* OR *PHILANTHROPY*) AND *MANTHANEIN* (MATH- "TO LEARN", AS IN *POLYMATH*). PHILOMATHY IS SIMILAR TO, BUT DISTINGUISHED FROM, *PHILOSOPHY* IN THAT -*SOPH*, THE LATTER SUFFIX, SPECIFIES "WISDOM" OR "KNOWLEDGE", RATHER THAN THE PROCESS OF ACQUISITION THEREOF. PHILOMATH IS NOT SYNONYMOUS WITH *POLYMATH*, AS A *POLYMATH* IS SOMEONE WHO POSSESSES GREAT AND DETAILED KNOWLEDGE AND FACTS FROM A VARIETY OF DISCIPLINES, WHILE A *PHILOMATH* IS SOMEONE WHO GREATLY ENJOYS LEARNING AND STUDYING.
