Nostradamus is the Latinized name of Michel de Nostredame (1503-1566) born in Saint-Rémy-de-Provence, France. He was a diviner, healer, astrologist and 'seer', best known for his book 'The Prophetes' published in 1555. He's claimed to have predicted many major world events in his 942 poetic quatrains.

Quatrain for the French Revolution

(200 years after his death)

From the enslaved populace,
Songs, chants and demands.

While princes and lords are held captive in prisons.
These will in the future by headless idiots,
Be received as divine prayers.

Over 16,000 were killed in the social equality uprising including royalty and intellectuals, many of whom were guillotined.
