

# WILD FLOWERS OF INDIA

BHARATARAJ SRINIVAS

India Post released 3 Miniature Sheets consisting of 12 stamps of value Rs.5 each on Wild Flowers on the occasion of Asian Pacific Postal Union Congress at Delhi in the year 2013. This was done with the aim of conserving India's rich bio-diversity. The flowers are of rare species and beautiful in nature. The climatic conditions of India is yet another reason for its varied bio diversity in flora.
