

# Children's Day(14.11.2017) – Nest (india)

VIDYA K BAGLODI

Children's day is celebrated every year on J. Nehru's birthday on 14<sup>th</sup> November. India Post conducts stamp design contest on a National Level from its 23 circle offices and the theme of 2017 was Nest. The display shows the selected entry on the above theme in the form of stamp images in a Miniature sheet. Totally 16 entries chosen are combined in this stamp image and Miniature sheet. A Nest is a structure built or created by fauna to lay their eggs and protect the young ones until they become safe to be on their own. It could be on the trees, ground etc. The material used by Fauna also varies. The display shows two miniature sheets and one First Day Cover.
