

# German Airmail Proofs

*The following is unverified and pieced together from several unofficial sources.*

The two mini-sheets depict airmail stamps proposed by the regional Post Office in Berlin, Germany. Supposedly they were to be issued in connection with a stamp exposition and the 20th anniversary of the end of the Berlin Airlift (1948-1949) but were never issued. Information related to them would be greatly appreciated.
