

Post crossing.com - K.K.Swaminathan

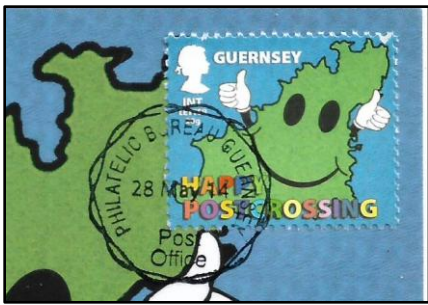

Post crossing is a post card exchanging project thru snail mail, supported and administrated thru post crossing.com web. Started on 14.07.2005 by Paulo Magalhaes, so far 64 million cards were exchanged by more than 8 lakh members. Knowing its importance, more than 16 countries issued stamps on Post crossing for motivating the stamp collectors. Netherland is the first country to issue stamp on post crossing during 2011 . Currently more than 800,000 members are in role. Germans sent more than 10 million cards. Here are stamps of some countries stamps on post crossing.

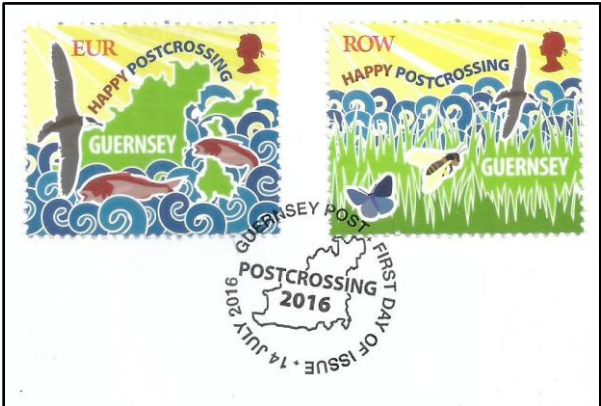

In 2011 Netherlands first issued a set of 6 stamps and again in 2016

Åland island's stamp is in special shape of heart and cancellation also in heart shaped . Year : 2019.
