

The Towers of Immortality...

Lighthouses are "high building at the top of which lights are hung to guide ships at sea".

These structures or Towers, immortal in the World of Navigation signals.

Round brick tower of Minicoy Lighthouse

Round stone towered Fort Aguda Lighthouse

Towers, recognized as icons of our Outward-reaching concern for others.

Round stone towered Mahabalipuram Lighthouse with the place cancellation of Mamallapuram.

Round masonry towered Alleppey Lighthouse with the place cancellation of Alappuzha.

Towers, proclaimed as a city's wealth and power due to their proximity to shoreline.

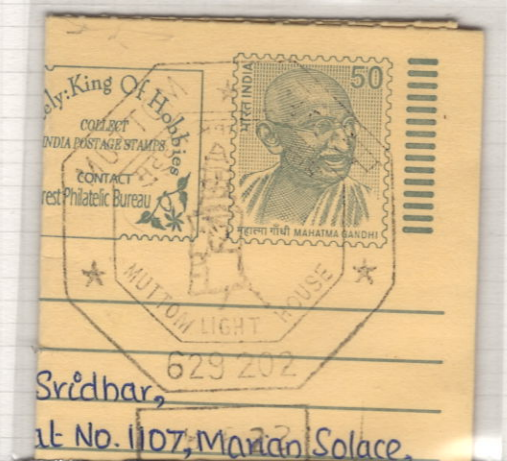

Towers, are comforting, deeply a human symbol.

Round masonry towered Mangalore Lighthouse

Square masonry towered Visakhapatnam Dolphin Nose Lighthouse

Commercial postcard with the Hexagonal Permanent Picture Cancellation of Muttom Lighthouse, a Hexagonal masonry tower

Lighthouse towers – immortal and what it means to explore the light – the dark – and, the unknown.
