

EVERYONE CAN LEARN TO SWIM

Karla Kempnaers

Swimming club membership & certificate

At home in a splash pool or swimming lengths in a swimming pool - it is something completely different. Some may swim with a swimming ring, others take swimming lessons on a private basis or as a member of a swimming club.

It's even more fun to have a swimmate

You can swim?
Than you can also try
to jump from the low or
high jumpboard.

Rescue techniques or the correct way to dive are taught in a swimming pool as well. If you can swim however like a fish, you can enjoy water fun in a wave pool.
