

MACHU PICCHU

It is an impressive Inca city with temples, platforms and water channels that is located at the top of a mountain in the Urubamba river valley in Cuzco Peru. The imposing Inca monument was built in the mid-15th century.

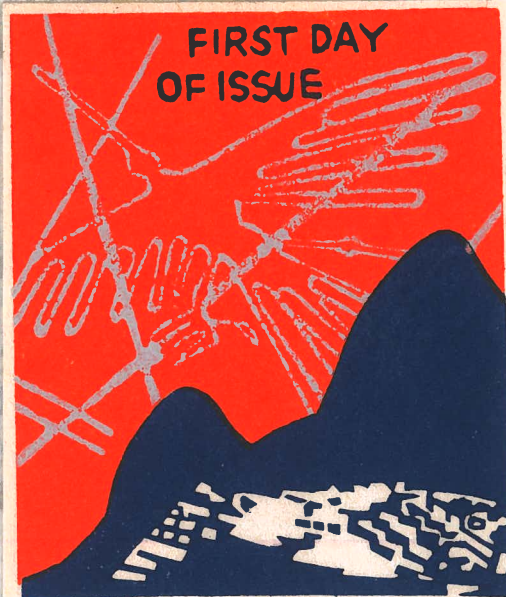

Machu Picchu was chosen as the Wonder of the World thanks to a worldwide voting campaign launched by the New 7 Wonders foundation in 2007.

Pachacutec, the first Inca emperor, after conquering the city of Machu Picchu – Cuzco, ordered the construction in 1450

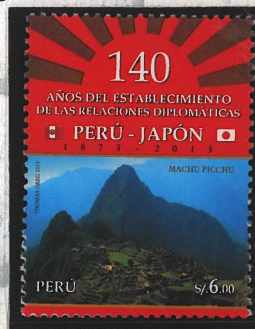

The Incas were the leaders of the largest empire in Pre-Columbian America
